

MY COLLECTION

You can collect articles and organize them into Collections.

- When you find an article that you want to add to a collection, select the **9-dotted square** to the right of the title and choose **Save to Collection**.
- You can access your account collections by selecting **your name** on the top right and going to **My Channel**.

MY PUBLICATIONS

Instead of having to search for your regular publications, flag your regularly read publications as a favourite for easy access!

- Simply click on the name of a publication or find it using the navigation panel. Then select **Add to My Publications** and that publication will now appear in the navigation menu.
- Find your favourited publications on your home feed in the left panel.

MY TOPICS

You can flag certain terms to find articles on a topic that you are interested in.

- On the home feed, scroll to the bottom of the left panel to **Saved Searches** section and select **Add another Topic**.

ARTICLE FEATURES
